Professional Summary

Passionate Front-End Developer specializing in React.js with hands-on experience building responsive, dynamic, and user-friendly web applications. Skilled in modern front-end technologies, including React.js, Next.js, TypeScript, JavaScript (ES6+), Tailwind CSS, Bootstrap, Sass, and jQuery. Experienced in teaching and mentoring as a front-end instructor in a startup environment, delivering complete projects and supporting students in development tasks. Familiar with backend concepts, SQL Server databases, OOP, C#, C++, and algorithms, enabling strong collaboration in full-stack projects.

Technical Skills

- Frontend: HTML5, CSS3, JavaScript (ES6+), TypeScript, React.js, Next.js, Tailwind CSS, Bootstrap, Sass, jQuery, DOM & BOM, AJAX, JSON, Asynchronous Programming, Regular Expressions.
- Version Control: Git, GitHub.
- Other: SQL Server, C#, C++, OOP, Algorithms, Problem Solving.

Professional Experience

Front-End Instructor & Developer Startup Company | 2023 – 2024

- Delivered comprehensive front-end courses covering HTML, CSS, JavaScript, React.js, and supporting technologies.
- Guided students in building complete web projects, providing mentorship and code reviews.
- Built a University Management System using SQL Server, enabling student registration, attendance tracking, grades, and course enrollment.
- Developed multiple front-end projects, such as login/signup systems, dashboards, and interactive tools.

Projects

Developed 30+ projects using React.js, JavaScript, TypeScript, SQL, and other modern technologies. Key projects include:

- Portfolio Website – Fully responsive React.js-based portfolio showcasing projects and skills.
- University Management System – SQL Server backend with complete student/course management features.
- E-commerce Website – Dynamic React.js UI with product listing, filtering, and cart system.
- Social Media App – React-based platform with user posts, comments, and profile management.

Education

Bachelor's in Business Information Systems (BIS) – Modern Academy University

Expected Graduation: 2025 | Grade: Very Good
